## THE OPPORTUNITY

In 2013, Aston Martin's centenary year, Aston Martin Racing will undertake the most ambitious motorsport campaign in its history, fielding four V8 Vantage GTEs in the FIA World Endurance Championship.

At the Spa and Le Mans rounds, the team will enter an additional fifth car – chassis GTE 005, which Aston Martin Racing is delighted to offer for sale.

## CAMPAIGN & DRIVERS

Chassis GTE 005 will compete as car #98 in the GTE Pro category of the World Endurance Championship races it enters.

The car took pole position and finished 2<sup>nd</sup> in its maiden race at the 6hrs Spa-Francorchamps and will compete at the Le Mans 24hrs and potentially other selected races.

A world class driver line-up, ensures it will be a genuine contender for victory in the French 24hr classic:
